

An elegant expression of the Priorat that comes from La Solana, a 22 hectares estate located on the terraces that surround the winery. Soils are slate rock, locally known as "Licorella". Opaque ruby color. Minerals and smoked sensations in the nose, red berries notes and black slate tones typical from Priorat are combined with ripe blackberries and liquorices. Sensations in the mouth are those of a fresh wine and good acidity with silky round tannins. The back nose is floral, mineral and fruity.

RED ON THE
HIGH-STREET**

Decanter

(October, 2019)

A 50:50 blend of Garnacha and Cariñena. Intensely mineral black fruit and baked cherry aromas and flavours stand out, followed by a dark, rich palate showing bitter chocolate, mineral and black pepper notes, plus smooth tannins. Powerful but effortless.

**LA PETITE AGNÈS, 2015
