

90th

Wine Advocate: 90 Points
The 2014 Cuvée Especial is super aromatic and perfumed, hinting at roses and clearly touching peaches and apricots. It does not smell of oak, but apparently the wine has been aged in barrique (with up to 15% new), and some 20% of the volume underwent malolactic fermentation. The grapes are all sourced from the Salnés Valley. It's very approachable and gentle, with some residual sugar counterbalancing the acidity. Modern and nicely crafted.
